“ Tamie was a great person. She was always willing to help anyone, she was always there to listen if needed, she was a good friend/person to anyone who met her or briefly crossed her path in life. She was truly an inspiration to many people. She LOVED LOVED her family in OK, talked about you all, all the time. I have not seen Tamie in many years, but she left an imprint on my life and that will forever be held dear.  
May god bless you and give you strength during this very difficult time.  
Prayers to you all

“ *I have known Tamie over 20 years. I ran into her one time at the Iowa State Fair. She took the time to make a special impression on my daughters showing them close up a Clydesdale she was helping with. She truly understood how important it was to my family. I know she cherished her family back in Oklahoma and it is a blessing she could be down there with all of you. May God Bless you with wonderful memories, and know there are many people around the world that were similarly impressed by Tamie's goodness of heart and dedication. My prayers for all of you. “ To Tamie's family in Oklahoma, you have our sincere condolences from her family in Iowa. She was a great friend. She was on our EMS crew with Welton Fire Dept. Tamie, Roger, Doug, Tom, and myself, Marty, took the EMS class together way back in the Spring of 1998. Lots of laughs there. Welton Fire lost a good friend but she will not be forgotten.

“ 1964 - 2017

*In this life, we have a beginning and regrettably an end - and in between is the dash representing the years of one's life. Tamie lived her life making the most of that dash...every day. She was gracious and kind, always ready for the next adventure. We spent a lot of time on the trails, riding horses and hanging out. She was fun, smart, a good gardener, creative and handy-she was a 'do it yourself-er' before that became a thing! I will be forever grateful for her blessing of friendship in my life.*

*Rest in peace my friend, I will miss you.*

*Tamie loved her family with such pride - her face would light up when she talked of you all! Sending prayers to you in this difficult time.*
