“ So very sorry for your loss.
I am a friend from high school and felt like one of the family. Tanya and I found out that we were distantly related and that sealed the deal ! We went on many an adventure with Sherri and our high school boyfriends.
There are so many fun memories of the three of us girls and their mom Sue.
Chinese fire drill at the stop light in the middle of town !, Football games, and just driving around with momma Sue slinking down low in the seat so our friends didn't see her !
Tanya was a wonderful girl and will be missed very much.
