“ Teresa and I shared many moments and talked about all of life over the manicure table. She took pride in her nails and had lovely hands. She became a dear friend of mine over that table. Her absence in my chair will be greatly missed. She was a dear friend and a dear person.

“ Ms Willems was my 2nd grade teacher at PPV. I remember being scared to be in her class bc she seemed so strict. But, once I got to know her she became my favorite teacher. I have lots of great memories of her. She was hilarious. I loved when she read us Frog and Toad books. She did such great voices of the characters. She always made me feel special and loved. My heart goes out to all of her friends and family.

“ Teresa was a good friend. She was smart and very funny. We served together on the symphony auxiliary and at PEGASYS, where she did a lot of work volunteering and donating time and funding. Thanks for the wonderful memories, Teresa, for your kindness and contributions. RIP lovely lady. WQ

“ So sad to hear of Teresa's passing. Serving with her on the Enid Arts Council allowed me to get to know her and her many talents. She showed caring and compassion to others. The world is a better place for Teresa being in it.
