Terry was my brother in law, but the Driskill's and Miller/Swart's history goes back many years before that. I remember visiting the Driskill's in Oklahoma when Darla and I were very young. Then, when we all grew up, Darla and Terry fell in love and married. They loved each other for many years. Although Terry is no longer here, he is not gone. His love continues to shine through Eric, Darla and all those who knew him. Thank you, Terry.
