WE

“ Terry was part of our "core" group growing up and going to school together for 12 years. Dates, sneaking out of the house at night to be with the group, class parties, prom, senior trip, graduation. We all loved him and cared about him, even when we went our separate ways. Willa Jean, I want you to know that we all talked about Terry many times and wanted to visit him, but we understood and held him in our hearts. He was a sweet, smart, fun, talented guy, and we will always love and miss him.

I wouldn't trade one moment for the 'hug and a prayer' meetings we had regularly. Miss you so much, but so glad you are pain free and surrounded by so many we love. Love you~your oldest niece and pal Tami
