“ Tommy was a good cousin yes he had his issues with life. But he wasn't loved any less for them. After his mom passed away he had all But gave up. I do have good memories of him when we were kids. He was a little older than me so he kinda kept to himself. Tommy I sure hope you are Resting in Peace. You are already missed by many. Love you cousin til we see each other again give grandma a big hug for me.
