

## Tony Ray Lee

October 26, 1953 - August 14, 2024

We invite you to join us in honoring the life of Tony Ray Lee, who passed away at his home near Covington, Oklahoma on August 14, 2024. Tony, 70, was born on October 26, 1953, in Fairfax, Oklahoma, to Warren and Mary Lee.

Tony's early years were spent in Iowa Park, Texas, where he graduated from high school. His impressive 50-year career in the oil and gas industry began as a mechanic with Panhandle Eastern, and he eventually rose to a managerial role with DCP before becoming an independent consultant with Midstream. Tony was a respected mentor and friend to many throughout his career.

Tony's life was enriched by his marriage to Sara in 2017, and he found great joy in hunting, fishing, and farming. His passion for the outdoors was a significant part of who he was and he loved sharing these interests with his family.

Tony was preceded in death by his son, Kurt; his parents; and his two sisters, Mickie and Kay. He is survived by his wife, Sara; his four children, Krista and her husband Ryan Bramhall, Maddi, Braylon, and Brett Difonzo; his two cherished grandchildren, Rylan and Payton Bramhall; his sister, Janie, and her husband James Clinkscale; as well as many other relatives and friends.

A service to celebrate Tony's life will be held on Tuesday, August 20, 2024, at 1:00 pm at the Anderson-Burriss Funeral Home Chapel, followed by a reception at the AB Circle of Life Event Center. Let us come together to remember and honor Tony's remarkable life and the impact he made on those around him.

“ Sorry for the loss of Tony Ray. I have lots of good memories of being at Granddad's farm with him. Bailing hay, swimming at the creek, running limb lines, frog hunting, robbing honey bees, and even his double dare to drive Granddad's truck were all treasured memories. Sorry I could not be there to honor Tony but our thoughts and prayers are with you. Cousin Bruce Lee

“ Tony was a great boss and even better friend! I was so sad to hear of his passing. I remember Tony was planning a once in a lifetime hunt that he was looking forward to but one of our employees was burned really bad so he gave that hunt up so he could be with the family day and night at the hospital. He had a huge heart and he will be missed!! Dena Ragsdale
