“ I have known Teresa since the 3rd grade. Trena was like a second mom to me. She welcomed me into their home and treated me like I was one of her own. One of my fondest memories of her is. when we were in Jr. High School Teresa and I would walk to Sears to visit her and when she would see us coming she would always have the biggest smile on her face. She was always so happy to see us. Trena was a kind and loving woman that made me feel good. She will forever hold a special place in my heart as well as her family.
