“ I really enjoyed Vera. I worked at the Woods County FSA office. She always had a smile on her face. Very hard working lady. Very nice.

“ Vera will always have a special place in my heart. I enjoyed seeing her at our little great-grandchildren's birthday parties and hearing my son and grandsons talk about the times when they worked at her farm during their college years at NWOSU. We will miss you Miss Vera.

“ I will always remember when Vera would come into the feed store and get her 300 pound caker filled. The best part about it was, she swore up and down that you could fit 400 pounds in it. I argued with her one time on that and that was it!😂😂😂 Vera always had a sweet smile and such a soft voice. She was always so nice and just wanted someone to talk to. She will forever be missed and loved by people that knew her!

“ We loved Vera and would run into her every once in awhile at Alva or Waynoka area. She always knew Richard and I , asking us about the Jacobson family. When we moved to Kansas City area, we didn't see much of her. Sure will miss her. She was such a sweet, kind loving, hard working woman. RIP Vera.
