Vergie was born June 7, 1929, in Cherokee, Ok, to Vergil and Ona (Creek) Niles, and passed away on Monday, October 16, 2017, in Enid.

Vergie graduated from Lambert High School in 1947 and married her high school sweetheart, Clyde Pryor that same year. They were together 54 years. Vergie worked most of her life as a medical assistant with physicians in Bucklin, KS, Oklahoma City, and Enid. She loved playing bridge and golf. Vergie was a devoted OU sports and OKC Thunder fan. She often wrote to the coaches and players congratulating them on a well-played game and sometimes offered coaches some unsolicited advice. She received letters in return from many of them. Politics were an important part of Vergie's life. She was a lifelong Republican and was a poll worker for many years. Politicians didn't escape her attention either as she wrote them with her advice on many issues. She received many handwritten letters back. Vergie was a very active member in her church and volunteered in many church and community activities.

She was preceded in death by husband, Clyde Pryor; parents, Vergil and Ona Niles.

She is survived by her brother, Herb Niles of Cherokee, OK. Two sons, Louis Pryor, wife Marilyn of Atlanta, GA, and Dan Pryor, wife Marilyn of Oklahoma City, OK; grandkids, Amanda Lyons, Zachary Pryor, Christopher Pryor, Diana Pryor, Kimberly Moore, Justin Roller, Brandon Roller, and David Roller and 10 great grandkids.

“Vergie and Clyde were the nicest neighbors anyone could ever have. We liked to tease Clyde for supporting the Kansas football team. Vergie babysat my baby son a few times and was tickled to do it, as I had 2 sons and she had 2 grown sons. We attended a Christmas party at their house one year, they were such gracious hosts. Loved Vergie and Clyde. Such precious memories.

“So sorry for your loss. I met her going to the orthodontist as a teenager and she was always so nice and welcoming. I will keep all of you in my prayers.

“Your Mother, Vergie, and Father, Clyde, were classmates of mine in Lambert. We shared a lot of things in those school years--classes, teachers, events, and even a few "ornery" things, which I will blame on the uncertain war years. They weren't bad, just ornery. I was a bridesmaid at their wedding. One of the fun things we gals did was have slumber parties, where we talked about everything, but mostly guys! After graduation we pretty much went our own ways in different places, though kept in touch. The last few years we would have a short afternoon get-together once a year and look at old pictures and remember those early school years. It was good. Know that you have my sympathy. “ What a remarkable woman!!! We first met Vergie at church and then had the good fortune to work with her at Dr. Gary Breece's office through 3 sets of braces! She had such a positive attitude and welcoming smile for everyone. She will be missed by many.
