“ I am just crushed to hear of Vicki's passing. Eleni, your mom adored you! I'll never forget the kindness that you and your mom shared with my family. Your special gift provided Christmas to my family in a year of need. Mac, you were quite the wonderful surprise for your mom! I worked with her while she was expecting you at Woodward Public Schools. My daughter Megan is almost the same age as you. I loved our "Board Broads Garage Sales"! They were the best and we had SO MUCH FUN! Don - my sincerest heart felt sympathies. The world has truly lost a wonderful, kind, considerate lady! I used to run into Vicki at Wal-Mart when I came home to Woodward to see my family. She was always the same - she always made my heart smile!

“ We loved walking into Vicki's library, she made it so appealing for all ages, she treasured books and sought to help our S-M Elem. children to do the same. She was a tireless worker, and a wonderful supporter for our school system. Thank you for the memories, Vicki. We were so sad to read of her passing. Love and prayers to Don, Eleni, Mac, and other family.

“ *Vicki was one of the most kind hearted people I had ever met. To say a person has a heart of gold would not begin to give justice to her. I am sorry to hear of her passing. Her presence will be missed by all who ever knew her. May you all find peace and understanding in God. Rest in Peace.*

“ Vicki was one of my dearest and sweetest friends. Being around her always brought joy to me. She was always so upbeat and happy, always smiling. For many years Vicki, Donna Burton and I always got together at Christmas time and shared a meal, gifts and many laughs. As I look around my house this Christmas season I see so many gifts that she has given me, but the most valuable gift was her friendship. I will always remember and cherish that. She has left a void that can never be replaced. My heart felt sympathy and love go out to Don, Eleni, Daniel, and Mac and all her family. ~~ God Bless each of you, Della Ybarra
