“ Yvonne, Michael, and Bobby and families. I am so sorry to read about your Mom. I had been thinking about her several times this month. I hope you can all be comforted by our God, knowing that she is with your dad. I will not attend as I don't drive right now. I'm healthy and still run the coffee shop. My car has been down for months and I rely on family to help me here. All is well with me. Please call me when you can.
