“ *Janice and family. I so enjoyed the opportunity of being Miss Wilma's physician. She often had the first appointment of the afternoon so there was no waiting involved. We would navigate our conversation through her crusty exterior and then her voice would soften and we would get to the real issues at hand. She told me many times that she was ready to leave this earth. I know she is now arthritis-free and running with her new knees. My sincere condolences. It's never easy losing your Momma. Job well done Miss Wilma.*
