“ I will miss her smile and orneriness! Her “How you?” Every time I got to work with her and singing karaoke. She truly loved everyone she met! Her laugh and stubbornness will always be remembered! Such a beautiful soul! ❤️🙏🙏

“ Oh Diane’s beautiful heart. The second day I was privileged to be Diane’s nurse, she called me over, and she asked “can I tell you something?”. I said of course! She proceeded to tell me “you’re my best friend “ I write this with tears in my eyes because she touched my old 20+ years of nursing heart. The way her eyes twinkled and her laugh. I will miss my best friend, and remember her for the rest of my days. She was one in a million, and I love her dearly.
